Dear Ms. Fitzpatrick

The staff and residents of Abbeyleix Community Nursing Unit wish to thank you, your staff and students most sincerely for the continuing to remember us during what has been a very difficult year.

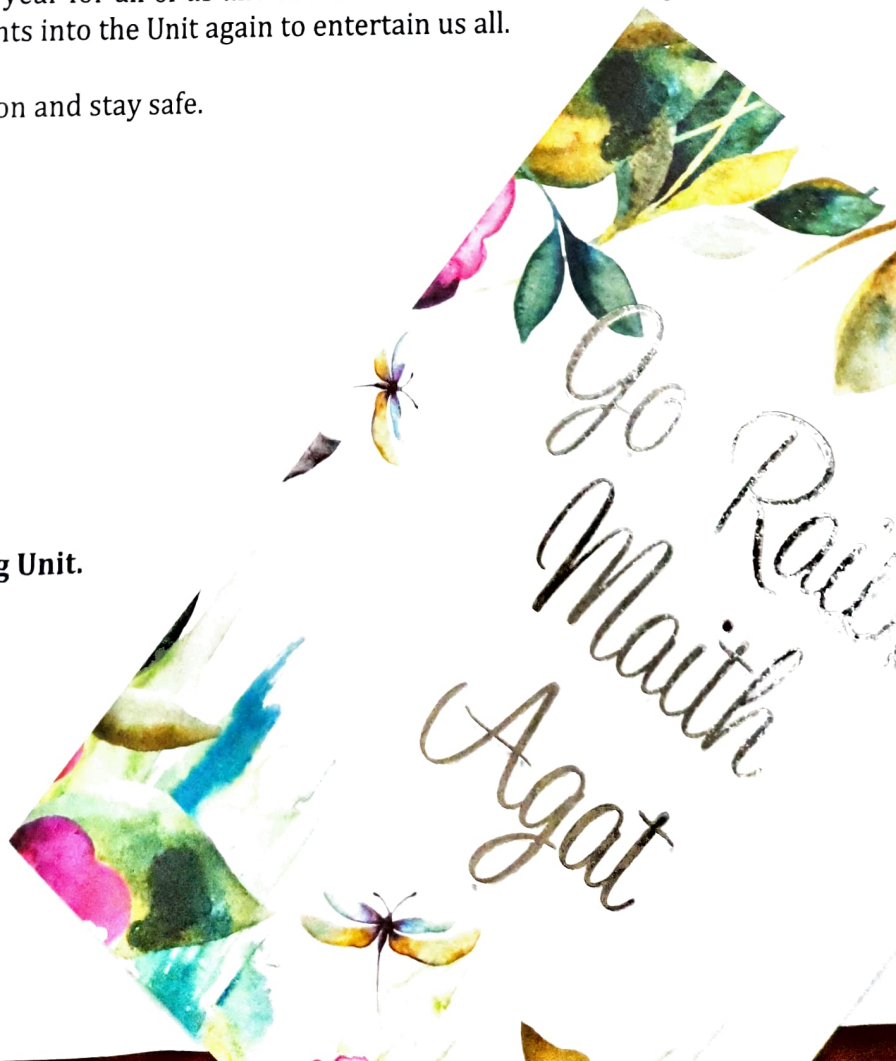

Your students have again excelled in their thoughtfulness and kindness to our elderly residents and this has been particularly evident in the recent musical initiative.

We hope 2021 will be a better year for all of us and we look forward to welcoming the Paddock National School students into the Unit again to entertain us all.

Best wishes for the festive season and stay safe.

Yours sincerely,

**Mary Margaret Daly, DON**
